PHOTOS - the pageant photographer will take a head/shoulder pose for use in the pageant program. The picture will be in black/white. You need to have your hair and make-up camera ready. This program will be viewed by the judges and all the guests at the pageant!

If you cannot make this photo practice and are absent from the photo opportunity - it is **YOUR** responsibility to get in touch with the photographer and see if she can make arrangements to take your photo. I have a deadline with the printer so it may not be possible to have your photo submitted if you are too late. I do not accept submitted photos.
